## Ashley, Merritt Named '57 Outstanding Grads

Fred Ashley and Shirley Merritt were announced as the 1957 recipients of the President's Awards at Honors Day ceremonies Sunday in the men's gym. The awards, each consisting of \$100 and an engraved plaque, are presented annually to the Outstanding Senior Man and Woman in the University.

Ashley has been president of Interfraternity Council, Omicron Delta Kappa, and Book and Motor. He served as chief justice of Student Court this year and was revealed as a member of SCSIC in the 1957 KEY.

Honored as Outstanding Greek Man earlier in the year, Ashley is from Geneva and majors in speech. He has held the vice-presidencies of Phi Delta Theta, and Theta Alpha Phi, and occupied a seat on Council on Student Affairs this year.

Chairman of the 1956 Greek Week, Ashley was a member of Student Senate and historian of Phi Eta Sigma. He has been active in University plays, Workshop Players, and University Players.

Miss Merritt, a February graduate, was president of the Association of Women Students. From Toledo, she majored in sociology and now holds a graduate assistantship at the University.

A member of the debate team, Miss Merritt was president of Pi Kappa Delta and Alpha Kappa Delta. She was a member of Psi Chi, Book and Motor, Cap and Gown, and Sociology Club, and held a seat on CSA. Miss Merritt was Kohl Hall house chairman, and served on the Campus Chest Committee and Speech Activities Committee.

Sara Banks was the 1957 recipient of the Siebens Award, a rotating trophy presented to the senior woman who has developed most in leadership while at the University.

Miss Banks, from Canton, was president and vice-president of Kappa Delta, secretary of Cap and Gown and Kappa Delta Pi, and a member of Book and Motor, Sigma Tau Delta, Beta Pi Theta, Treble Clef, Workshop Players, and Eyas staff. She majors in English.

The award to Miss Banks was also presented at Honors Day.

## CSA To Finish Work On June 1

The Council on Student Affairs, highest policy making student-faculty University committee, expects to finish its work for the academic year on June 1, according to Dr. Elden T. Smith, director of student life and services and chairman of the council.

The final job to be completed is the drawing up of resolutions and recommendation on the basis of the Council's findings in its study concerning voluntary student organizations.

Their study of student organizations, which has been the major project of the Council during the year, was conducted through interviews and questionnaires, Dr. Smith said.

The questionnaires concerned such things as financial setup, organization procedure, methods of conducting meetings, advisers, place of meeting, advisers, history of the groups.

There were two subcommittees established within the Council to aid in the study. One was concerned with the tabulation of the material gathered while the other is concentrating its action on making resolutions on the basis of the tabulations.

The Council on Student Affairs sponsored two Clumeins or discussion meetings during the year with many of the campus leaders and organization officers. The first of these meetings was to gain the support of the student body for the study while the other was aimed at clarifying the work of the University Social Committee.

Other problems studied by the Council during the year were: Student seating at the football games following the erection of the new bleachers; recommendations concerning the new class schedule which will go into effect during the Fall Semester, 1957-58; table service at dinner in the residence halls; Honors Day arrangement; beginning a study on student government; and traffic in the Administration Bldg.

# Ninety-Five Students Receive Awards At Annual Honors Day Ceremonies

## Sigma Chi, Delts Receive One-Year Suspensions

Two chapters of fraternities at the University were suspended over the week end, one by its national office and the other by University officials.

Both suspensions resulted from violation of University regulations regarding alcoholic beverages, according to Dr. Elden T. Smith, director of student life and services.

The local chapter of Delta Tau Delta was suspended by its national office for holding an unauthorized party off campus two weeks ago at which there was drinking.

The University formally withdrew recognition of the local chapter of Sigma Chi yesterday for failure to enforce liquor regulations at its recent spring formal dance off campus.

Both suspensions become effective at the end of the present semester, Dr. Smith said, and will be in effect for at least a year. Suspension means that members will not be permitted to live together in chapter houses, attend fraternity meetings, or represent their fraternities in campus activities.

A supervising committee of Delta Tau Delta alumni has been appointed by the national president to carry on the necessary business of the local chapter and to supervise the possible reestablishment of the chapter at some future date.

The committee includes Frederick Hibbert of Toledo as chairman and Edwin L. Heminger of Findlay and Dick Weaver of Bowling Green as members. Both Hibbert and Heminger are alumni of the Ohio Wesleyan University chapter, and Weaver is an alumnus of the Bowling Green chapter. Heminger is a division vice president and a former field secretary of Delta Tau Delta. Hibbert has been serving as an adviser to the local chapter for the past several weeks.

Suspension of both fraternity chapters is for an indefinite period, Dr. Smith said yesterday. Either may be lifted, after at least a year, whenever the chapter's alumni supervisory committee feels that the chapter can be reopened on a basis that is in keeping with the standards of the fraternity and of Bowling Green State University.

These eight junior women had previously been secretly tapped early Sunday morning, and their names were revealed publicly for the first time Sunday afternoon.

Nancy Looman, president of this year's Cap and Gown group, announced the selections as present members of the honorary escorted the new members to the platform.

## Wrapping It Up . . .

For a majority of our readers this is the final issue of the B-G News, the next edition being a special commencement production which will be distributed long after most of the students are home for the summer.

Thus, we would like to take advantage of this opportune moment to "wrap it up"—to add our final comments on this year of publication for the B-G News.

As far as the news columns of the paper are concerned this has been a year of many events both large and small but always numerous. These events we have tried to cover with accuracy, objectivity, and timeliness, although due to our publication schedule the final ingredient has at various times been very hard to incorporate.

We have also tried to give equal coverage to all departments basing our final decision on what to run and what not to publish on the number of students affected by the event and how much previous publicity it had received.

Editorially, we have not been without success nor have we escaped tasting defeat. Many subjects have been covered. Some of these have been practical subjects but finding a lack of response of students on practicalities, a greater part of them have been ungrounded, basic questions which will be argued today, tomorrow, and for years to come on college campuses.

Speaking about such subjects as conformity and complacency, we have been equally applauded and called "off base" for our selection and discussion of these topics. But, we have heard many students probing and delving into these questions in a serious manner—this has been our ultimate goal and our reward.

On the question of selection of subjects, our choice of topics to discuss has only been governed by our own ideas of what should be discussed, our feelings of responsibility, and our objectives in examining these topics. There has not been one instance throughout the year when anyone tried to step in and tell us what to print and what not to print.

We would like to thank the staffs of the paper, both editorial and business. Without the combined efforts of many persons and the supreme efforts of a few the B-G News would have never completed 53 issues this year. Our adviser is also due the highest praise for his aid.

And last but not least, we wish to thank the readers of the paper for the support which they have given us this year. We have been forced on several occasions, in spite of a restrictive budget, to increase the circulation of our paper. This we have done but not once have we seen extra B-G Newses stacked up in the Well for lack of readers.

But in the final analysis, our judgment on the year and each edition of the paper is rather unimportant. The real judge of this paper is its readers. We have tried to put forth a paper in which the students could find the news, read editorials, and one in which they could take pride. Whether we have failed or succeeded is up to each individual reader of this paper to decide for himself.

Closing, let us thank again all those who have given us support and help throughout the year—the staffs, the faculty, the students, the University.

Henry T. Jacques

## Torchlight Protest Ends In Violence

By JEFF OSOFF

Nine students have been dismissed from the University and two more suspended as a result of the 1 a.m. to 3 a.m. Friday torchlight demonstration which eventually erupted into a destructive riot. Although no one was hurt seriously, several officers, a city fireman and several students were bruised in a series of fights and skirmishes.

Dismissed from the University for their part in the riot were George Howick, Gusna Rutledge, Patrick Verdane, Dale Swan, Robert Disbennett, Paul Walsh, Bruce Buckholz, William G. Carmany, and Philip Halloran, while Fred Scott and Gerald Dewey were suspended.

## Arrested In Riot

Both Buckholz and Carmany were arrested during the demonstration and detained in the Wood County Jail. Buckholz later pleaded innocent before Justice of the Peace Ralph J. Cain, but the justice found him guilty and imposed a fine of \$25. The fine was paid and he was released from custody Saturday.

Carmany also pleaded not guilty and asked for a jury trial. He was released on \$500 bond. Date of the trial was not set immediately. Another student, Gus Rutledge, refused to leave his dormitory room after being dismissed by the University and was forcibly ejected. In a hearing before Justice E. E. Bailey on Saturday, Rutledge's attorney Martin Hanna, asked dismissal of the charge claiming his clients did not have a proper hearing. The justice overruled the request and continued the case for a future hearing. Rutledge

TRAFFIC was tied up for several blocks as students sat down in the middle of U.S. Route 6 in front of Pres. Ralph W. McDonald's home during the riot Friday morning.

was released on \$500 bond.

President Ralph W. McDonald, who described the demonstration as a "very disgraceful action," estimated that about 300 students participated in the two hour disturbance. Some 50 state highway patrolmen were summoned from the entire northwestern Ohio area to assist University police, Bowling Green, Wood County Sheriffs' forces, and area police in quelling the demonstration.

## Feeling Of Resentment

Dr. McDonald blamed the rioting on a feeling of resentment which had been developing from efforts of the University to enforce its regulations concerning alcoholic beverages. However, many students have told the BG News the main cause was due to the inconsistency of enforcing the regulations rather than the actual enforcement actions.

Although many student leaders

monstrators sat on the street blocking all traffic on U.S. 6. A large slide was carried into the street from the elementary school playground and several bales of straw were ignited.

Firefighters called to the scene to extinguish the blaze met with heavy student opposition and had their hoses snatched from them. The students then played water throughout the area damaging both personal property and City equipment.

At one point during the riot a group of 30 to 40 rioters grabbed Perryburg patrolman Joseph Brainard and had him on the ground before he was rescued by other officers.

## Traffic Backup

The mob, which had caused a backup of traffic along U.S. 6 for more than a half a mile, was temporarily broken up shortly after 3 a.m., when Corp. R. C. Davis, state highway patrol, Findlay, led a group of police through the crowd followed closely by a line of heavy trucks.

In reviewing the demonstration, Dr. McDonald stated that of the 3,000 students living on campus, 2,700 remained in their respective dormitories during the demonstration. He emphasized that although the trouble had stemmed from action against fraternities, many other students beside fraternity men participated.

## VALEDICTORY

With this column I complete my third year of writing for Philip Morris.

It has been my custom in the final column of each year to forego any attempts at humor, because you, dear readers, have had your funnybones so frozen by the cold wind of impending final exams that it is futile to try to get a laugh out of you; and because in this last column of the year we are saying goodbye, and goodbyes are occasions for sweet solemnity, not slapdash foolery.

Today my heart is full. I am grateful, first of all, to the Philip Morris Company who make this column possible. They have given me a completely free hand in the choice of subject matter; they have not tampered in any way with my copy; they have been unflinchingly courteous and helpful. I wish to take this occasion to extend heartfelt thanks to the makers of Philip Morris for their most touching kindness, and to notify them that if we renew our association for another year, I shall require a substantial increase in salary.

Second, I should like to tender my thanks to you, dear readers. A writer's life is not an easy one. There are an appalling number of hazards—a drought of ideas, for one; catching your necktie in the roller of your typewriter, for another—and when a writer is blessed, as I have been, with an audience as alert, as bright, as intelligent as you, dear readers, then he must take his hat in his hand and his necktie out of the typewriter and humbly give thanks.

This, dear readers, I now do. Thanks for being dear. Thanks for being readers.

Finally, I wish to thank the tobaccoists of America who make it possible for us to buy our Philip Morris Cigarettes by the pack. If there were no tobaccoists, we should have to buy our Philip Morris direct from the factory in boxcar lots. This would present grave storage problems to those of us who live in dormitories and other substandard dwellings.

I hope, by the way, that you have been to your tobaccoist's lately and bought some Philip Morris Cigarettes. I have been trying to beguile you into smoking Philip Morris Cigarettes by means of what advertising men call the "soft sell." Indeed, I have occasionally gone beyond the soft sell into the "limp" or "flabby" sell. I hope my pulpy merchandising has had its effect, for here is an enchanting cigarette, pure, natural pleasure, a joy, a jewel, a haven to the storm-tossed, a bower to the weary. And in addition to being a haven, a bower, and all like that, Philip Morris is a boon to the absent minded. No matter which end you light, you're right!

And so goodbye. Go in peace, go in content. May good fortune attend your ventures, may love and laughter brighten the corners where you are. See you, hey.

©Max Shulman, 1957

It's been a great pleasure for us, the makers of Philip Morris, to bring you this monument to the soft sell each week. Till next year, goodbye, good luck, and good smoking—with natural Philip Morris, of course!

# Western, Miami, Ohio Divide Championships

## 'Skins Nip WM In Track; Koester Snares Tie In HJ

Kent State was the scene of another Miami track championship as the Redskins nosed out the Broncos 87-86. Since the birth of the Mid-American Conference the Redskins have yet to yield its crown to any other conference school. Entering the meet in the role of runner-up, the Miamians spoiled the otherwise perfect day for Western Michigan as they captured only four firsts and placed in every event except the 220-yard dash.

In the meet that saw no double winners, three new conference records were established as a Western Michigan quartet of Hughes, Kammerer, Avery, and Murchison started the meet off with a record. This 880 relay broke the Falcon's 1956 record of 1:28.6, lowering it to 1:27.8. Ohio U's fine mile relay team also lowered that record to 3:19. The third record was made by Bob Sawyers in the 880-yard run, in which he sprinted to a 1:54.1.

Bowling Green, entering in only 9 of the 15 events, mustered out 20 points for a fourth position in the meet.

The Falcon standout was Lynn Koester who tied for first in the high jump with a leap of 6'. Bob Ramlow, rated a good chance to win the conference crown, was hampered with a sprained ankle and could manage to only tie for second in his pole specialty. Dick Luehrs' 47'3 1/4" shot put was

good enough to place him second in the conference.

Other Falcons who placed in the meet were: Jack Mortland, who got a 5th in the 440; Bob Hill, with a 5th in the 220; and Carl Schorr, who threw the discus 127' 11 1/4" for another Falcon 5th. Even though John Scott didn't place in the 880-yard dash he ran the best time ever posted by a Falcon runner, as he was clocked in the 1:57's for sixth place.

Not until the last event was it evident that Miami would win the meet. When the regular events were over, Western was leading 86-77, but the Redskins discus throwers squeezed out 10 points to edge the Broncos out of the conference title.

Western Michigan outclassed Miami in the number of firsts taken, 6 to 4, but failed to match them in places taken. The main reason for the Bronco's defeat was their weakness in the weights. While Miami was busy capturing 1st, 3rd, and 4th in both the shot and discus, Western did not take one point. In the half mile the favored Bronco runners were disappointed by the "spoiler" OU half-milers.

A strong head-wind prevented the Kent crowd from witnessing a repeat performance from Olympian Ira Murchison, who had, in the preliminaries, breezed to a 9.6 in the 100-yard dash. In the 220, Murchison's teammate, Ed Avery, nosed him out to kill his chances for a double win.

The final scores were: Miami 87, Western Michigan 86, Ohio University 45, Bowling Green 20, Marshall 10, Kent 7 and Toledo 0.

### WM Vs NU In Playoffs

Western Michigan's Broncos, by virtue of taking the MAC Championship, will enter the NCAA baseball playoffs.

Michigan State faces Northwestern in their opening series.

## Podojil Nips BW With Six Hitter

Today the Falcons write finis on their baseball season when they play host to a powerful Eastern Michigan nine. On Saturday Bowling Green jumped off to an early lead against Baldwin-Wallace and just managed to hang on for a 6-5 victory.

Junior Joe Podojil hurled a six hitter at the Yellowjackets and veteran Jerry Schoonover rammed home the winning run. This marked Podojil's second win and both were complete games. The right-hander went the route in his last start when he downed Marshall 4-1.

The Falcons skipped off to a 5-1 lead after three innings. But BW kept nibbling away at the margin and deadlocked the contest in the top of the eighth.

Larry Geissler, who got on base through an error and went to third on two passed balls, tallied the eventual winning run when rightfielder Schoonover slapped out his second hit of the tilt.

Schoonover shared batting honors with Falcon centerfielder Bill Walters who unloaded three singles.

The final standings of the Mid-American Conference are as follows:

### MAC STANDINGS

Western Michigan	9	0	1.000
Ohio University	9	2	.818
Miami	6	4	.600
Toledo	4	4	.500
Kent State	3	7	.300
Bowling Green	3	7	.300

## News Story Unfair To Mooney Hall Runners

Dear Editor:

I am writing this in behalf of the girls of Mooney Hall. In the B-G News, Tuesday, May 21, 1957, an article stated that Mooney Hall took first place in the Kappa Sigma Chariot Race in the women's division. However, the runners, Dorothy Luderman and Helen Calvin, received no recognition at all. We feel that they deserve it! Pi Kappa Alpha made the headlines of the article and their runners received recognition. We don't feel that this is fair. Mooney Hall and PiKA should have received equal billing in the headlines.

Sincerely yours,  
Dorothy Reho  
Mooney Hall

Editor's note: The B-G News regrets the above mentioned mistake and is grateful that it was brought to the attention of the staff.

Members of the Publications Committee will be included among the guests at the banquet.

## Bobcats Dethrone BG Linksmen; Golfers, Netmen Finish 3rd, 4th

Western Michigan and Ohio University proved that the experts knew what they were talking about as the favorites walked off with the Mid-American Conference tennis and golf crowns respectively.

The Bobcats came bouncing back into the victors circle for the fifth time in the past six years as they nipped Marshall

College for the golf crown. The men from Athens took the conference title by the slimmest possible margin, 612-613, to edge the West Virginians.

Although MC's bid for the championship was denied, the Thundering Herd garnered both the first and second places in the race for top medalist honors. Jack Freeman came up with the low thirty-six hole score of 70-79-149. He was closely trailed by fellow team member Linden Meade who made the rounds with dual scores of 75 for a 150 total.

Jack Luedeman, a member of last year's BG champions, tied for third place honors with Dudley Kircher of Ohio University. The two men posted twin scores of 151. Kircher tallied the low eighteen hole score of the tournament when he negotiated the Twin Lakes Country Club course of 69 on Saturday afternoon.

The scores of the other Falcon linksmen were Dave Steinen-158; Gary Hallett-159; Jim Bernicke-167; and Ed Brideau-168.

In the tournament the Falcons wound up a distant third to Marshall posting a total team score of 635, twenty-three strokes behind the leaders.

Ohio U and Marshall pulled out to an early lead Saturday and gradually lengthened it over their fast fading rivals. In fourth place, trailing the defending champions was Western Michigan with 638; Kent State 639; Miami 645; and Toledo 685.

Western Michigan swept through the field in the tennis tourney at Kent to regain the title they shared with Miami last year.

The Bronco doubles team of Cliff Strong and Jack Raffelli took the title by defeating Bowling Green's only finalist, the team of Dick Abele and DeWayne Smith, 6-2, 6-3.

In singles play all Bowling Green entries, with the exception of Dean Bacon, were eliminated early in the tournament. Bacon, a senior, defeated Jim Hartman of Ohio U., 5-7, 6-3, 6-2, but the lone Falcon fell to finalist Denny Telder of Western Michigan, 1-6, 2-6.

Highly touted Toledo could place only three entries in the finals and finished third behind Western Michigan and Miami with five points. Bowling Green had three points for fourth place. The winning Broncos tallied 18 points, and Miami followed with eight.

In the singles finals four Broncos, Telder, Strong, Raffelli, and Larry Yoder defeated their opponents in only nine games. Joe Makowski of Toledo provided the only real opposition as he beat Strong, 6-4, before succumbing, 2-6, 4-6.

In doubles play Western Michigan's Telder and Yoder dominated the scene by beating Bowling Green's Dean Bacon and Ed Wahl, 6-1, 6-2; Toledo, 6-4, 6-2; and Miami's best pair, Fred Weinman and Jim Cahill, 6-2 and 7-5.

BG's Smith and Abele drew a bye in the opening round, then knocked off Miami's Duane Wyatt and Jim Schamp in the semi-finals Saturday morning. By late afternoon, however, Western's combo of Strong and Raffelli was red-hot, and, refusing to be denied the title, swept past Abele and Smith for the championship.

LUCKY STRIKE  
JINGLE?  
(SEE PARAGRAPH BELOW)

YOU'VE PROBABLY HEARD of torch songs (music to cry by), Air Force songs (music to fly by), and Aloha songs (music to bye-bye). The Lucky Strike song is music to buy by: it's a pretty ditty that's devoted strictly to Luckies. Naturally, that makes it a *Cheerful Earful*! It reminds you that Luckies are tops and that better taste is the pleasin' reason. Luckies' taste comes from fine tobacco—mild, good-tasting tobacco that's TOASTED to taste even better. So, as the jingle says, "Light up a Lucky, it's light-up time!" You'll say it's the best-tasting cigarette you ever smoked!

PRIZE WINNING FLOAT was the Phi Mu and Phi Kappa Psi's "Alice in Wonderland." At special ceremonies held Friday night, Miss Anne Potoky, Miss Agnes Hooley, and Dr. Russell Decker, judged the floats and awarded Phi Mu and Phi Psi first, Delta Gamma and Theta Chi, second, and Alpha Phi and Phi Kappa Alpha, third place in the contest after a parade through town.

BIG BAND SOUND of Richard Maltby filled the men's gym Saturday night as approximately 900 couples danced under a giant pastel maypole which extended from the center of the gym to the balcony. Shown below is part of the crowd as they watched the Maltby contingent present a concert of unique arrangements and sounds.

# Queens And Cruisers - Spring Week End Is Full Of Activity

By RON SUPINSKI

Two parades highlighted the beginning of Bowling Green's first annual Spring Week End. One was the "Fantasyland" float parade and the other was a "parade" of 15 state police cruisers from Bucyrus, Lima, Perrysburg, Findlay, Fremont, Toledo, etc. which roamed the area Friday after the recent student uprising.

Participants in the first parade were bedecked in gay colors and sported shiny faces and well-scrubbed cheeks which provided a sharp contrast to the dull black cars manned by sober-faced state and auxiliary police many of whom wore American Legion uniforms with swords et al. and went methodically about their business.

Spectators in short trousers and short sleeves gathered early on Wooster St. to watch the float parade. However, they had to change their vantage point as the procession wended its way down Ridge to Thurston and left to Shatzel Hall and north between Founders and Shatzel, around the circle, past Prout, up Ridge, and back to the stadium. Phew!

## Colorful Float

Phi Mu's and Phi Kappa Psi's float was by far the most colorful in the dazzling array of chicken wire and crepe paper that crept past the reviewing stand in the stadium. Agaricus campestris, Lapidoptera, and Homo Sapiens were arranged neatly on a verdant backdrop. But what real mushroom has a speckled stalk, I wonder?

**Disa and data:** A lot of three-way stretches got a workout climbing down the tall floats. "Moby Dick" can even breathe on land! ... Dr. Elden T. Smith, looking neat and trim and unaffected by his recent "battleground" experience, slammed a home run and crowned a queen while pinch hitting for Pres. Ralph W. McDonald ... Delta Gamma and Theta Chi's "Snow Queen" adjudged tallest float by three centimeters over nearest rival (unofficial tabulation) ... exhaust fumes left Chi Omega candidates undecided as to whether they should smile or sob—some did both.

**Hurrahs:** Jacqueline Browne of Kappa Delta was the tallest gal in the procession, standing nearly 12 feet tall in heels plus ... Unabashed, she literally stepped through her skirt to descend the float.

## Strong Men

Plaudits to Lanny Miles and Kip Crawford who tried without success to climb the tail of the "Ugly Duckling" to rescue four damsels who were perched on top ... Finally, the "Duckling's" tail was parted and steps were discovered ... then, the bright red returned to pink.

**Smoothest entrance:** Alpha Phi girls atop "Never-Never Land" float entered the stadium while the Pitch Pikes warbled the same tune in the background ... on a Mercury 45 rpm, natchery.

**Mistaken identity:** Herb Moskowitz squashed rumors that he was the beast in Rodgers Quadrangle-Harmon Hall's "Beauty and the Beast" float ... he was really the emcee.

Most disrupting noise heard over the week end: a power lawn mower operating under a bedroom window at 8 a.m. Saturday.

Threatening weather did not dampen the spirits of some 900 couples which turned out to hear Richard Maltby run the gamut of Dixieland jazz, swing, Scotch-smooth waltzes, and progressive

innovations on Saturday evening ... Grieg's "In the Hall of the Mountain King" provided a pleasant interlude between dances, slightly jazzed up, of course ... the decorations in the men's gym included everything but pink elephants and polka-dotted zebras ... those came later in the evening.

## Weather Threatens

On Sunday the threat of inclement weather forced the Honors Day event inside. Clouds spotted the heavens right up to 2:30 and rain was expected. As soon as the program moved indoors, Ole Sol came out and stayed out during the whole p.m. What else?

**Brainy dotings:** Sara Banks needed a wheel barrow as she carried home four individual awards from four completely different sources ... an afternoon's record performance ... she was top award winner although pressed by Fred Ashley ... a good turnout filled the Men's Gym and proceedings went off with nary a hitch ... many parents were spotted in the audience ... hats off to the maintenance crew that cleared the gym of Saturday night's U-A prom decorations and set up the Honors Day stagings ... all in all it was a very successful and quite representative spring week end with more than 5500 people attending the scheduled events.

**P.S.:** The goateed one who walked away with two awards Sunday is no relation to your reporter.

## DG, AWS Publications Awarded First Place

Delta Gamma entered its newspaper, Beta Musings. AWS won with its AWS Newsletter. Trophies will be awarded at the journalism publications banquet at 6:30 p.m. tonight.

## Lynch Named Key Business Manager

The Campus Publications Committee Friday, May 24, appointed George Lynch as business manager of the 1958 Key.

As business manager, Lynch will direct the sales and promotion campaign for the yearbook which, for the first time in its history, will be sold to students. Price of the 1958 Key during the first part of the fall semester will be approximately \$4 which will go to \$5 at a later date.

In the past students have received the yearbook as part of an activity fee. Approximately \$13,250 of the \$18,000 budget of the 1957 Key was financed by this means. The budget for 1958 calls for an activity fee subsidy of approximately \$5,000 which will enable the book to be sold at \$4-\$5 a copy. No reduction in size or quality of materials is anticipated.

Lynch, a management major in the College of Business Administration, is past president of Kappa Sigma fraternity. Recently he was elected executive vice-president of the Interfraternity Council.

## Waitress In Nest Achieves Goal Of Writing, Publishing First Book

By BOB GALLOWAY

The little, dark-haired, waitress who serves you coffee every afternoon and evening in the Nest has achieved an outstanding goal in her life.

Printed copies of the book will not be available to University students before school is out, Bonnie said. However, mimeographed booklets of the material contained will be available for the students who want to buy one. These booklets will be on sale in the Nest all this week. The mimeographed booklets are being made up especially for the students who may not have an opportunity to buy one of the regular bound books.

Due to a delay in publishing, the regular bound books will not be released for a few weeks, said the authoress. Copies of the bound book can be obtained anytime by writing the author after they are released. Miss VanBuskirk's address is Apex Lane, Perrysburg, O.

Miss VanBuskirk plans to move to California soon to continue her writing.
